2025–2026 Preparatory Coursework

Student Name: _____ (Please print)	Loyola ID: _____ (Your 11-digit Loyola ID number begins 0000)
--	---

Students who are not admitted to a degree-seeking program are typically not eligible to receive federal aid. However, if students are enrolled in preparatory coursework specifically to meet prerequisites for admission to a degree-seeking program, they may be considered for Federal Direct loans based on undergraduate loan limits for 12 consecutive months. The 12-month eligibility period begins when a student begins enrollment, not the first time a student borrows. Students must complete the Free Application for Federal Student Aid (FAFSA) at www.studentaid.gov. Dependent students enrolled in preparatory coursework for degree-seeking programs can receive up to \$5,500 in Federal Direct Loans for graduate programs and \$2,625 for undergraduate programs. Independent students may receive up to \$12,500 for graduate programs and \$8,625 for undergraduate programs for the 12 consecutive month period.
