1106 jobs · 1 event/fair · 131 employers

# Handshake Resources: PathwayU

## Using Career Matches

Based on your assessment results, PathwayU calculates your fit to nearly 1,000 career paths. That's quite a few!

It can be helpful to start by looking at the themes among your matches using the Careers by Subject Area view.

Subject areas listed toward the top show where you have a high concentration of strong matches. Subject areas listed toward the bottom tend to be a weaker fit for you. Click into each subject to view the specific career paths in each area.

If you would like to view your matches across all subjects, use the View Options dropdown to change your view.

## Career Matches by Subject

VIEW BY SUBJECT AREA

VIEW ALL CAREERS

### SUBJECT AREA Human Services

This subject area includes opportunities related to consumer services; counseling and mental health services; early childhood development and services; family and community services; and personal care services. Examples of careers within this subject area include clinical psychologists, rehabilitation counselors, childcare workers, fitness trainers, and personal care aides.

[VIEW CAREERS →](#)

### SUBJECT AREA Finance

This subject area includes opportunities related to accounting; banking services; insurance; and securities and investments. Examples of careers within this subject area include accountants, credit analysts, financial managers, insurance appraisers, and personal financial advisors.

[VIEW CAREERS →](#)

### SUBJECT AREA Education

This subject area includes opportunities related to administration and administrative support; professional support services; and
