

Graduation Rates: Fall Incoming First Years 2015-Fall 2019

This report provides four and six year graduation rates for the Fall incoming first year cohorts for academic years 2015-16 through 2019-20, Students are assigned to school/department program based on their INITIAL enrollment, not their degree conferral school.

Please note that the Parkinson School of Health Sciences and Public Health was established in 2019, so graduation rate data is not available for years prior to 2019.
