Online - offered online and may include a combination of both synchronous sessions and regular online asynchronous components.

Students must earn a C or higher in Science Courses: GNUR 157, GNUR 158, and GNUR 203.

Students must earn a C- or higher in Non-Science Courses.

Core Courses: If a specific course listed here, being offered in a given session for a Core requirement area is not scheduled, it will always be replaced with another course that will continue to satisfy that same Core requirement.
